TRAINING SESSION DESCRIPTIONS:

BODY FIT- 45-60 minutes in duration

Our unique style of training designed by our personal trainers, this training session covers a broad range of benefits from cardio vascular training, shaping and toning, fat burning, abdominal and core strength and overall fitness. Each workout is slightly different and equipment such as Dumbbells, barbells, treadmills, rowers, kettlebells bikes, and benches is used for variety.

S.A.S-STRENGTH & SCULPT 50 minute is an action packed weight training session utilizing various weight training principles such as super sets, drop sets, pyramid training etc, it is the perfect workout for strength and sculpting your body

TBC: (TOTAL BODY CONDITIONING) 50-60 minutes in duration.

The best training techniques combined with the awesome knowledge of our Personal trainers, this training session covers all aspects of training such as toning, shaping, cardio, fat burning, strength, abs and flexibility, the training session generally incorporates Barbell / Dumbbell training and Spinning in an interval format.

BOXING FIT – ULTIMATE FIGHT NIGHT 60 minute format

2 of our most popular training sessions, you will get a workout to remember and you'll be back for more, use boxing drills and techniques to challenge your endurance, strength and cardio fitness. Includes skills and drills from many disciplines, **Boxing gloves recommended**

GROUP TRAIN – 45 minutes

An awesome training session that provides a theme to each workout, themes range from Body part training, or repetition challenges such as our famous 1000 reps challenge, 500 abs etc, participants are guided and motivated through the session as they complete a preset workout that is displayed on whiteboard.

H.E.A.T.-High Energy Aerobic Training– 50 & 70 minute format

Includes a straight 20-30 minutes of Spinning to begin the session followed by an awesome array of cardio, endurance and resistance power circuits. Get fit fast and get results immediately.

CROSS FIT-30-40 minutes- Special Program: If you want to get strong and fit fast and are not afraid of a challenge then this session is for you! CrossFit is designed to be very challenging and incorporates super setting of exercises that continually stress all component of your fitness. Core strength, upper body endurance, fitness are the main benefits associated with this type of training-**Warning** this is for people wanting to get fit fast- It is run by Next Phase personal training and there is a \$10.00 fee for members and \$15.00 fee for non members. Give it a go and see what you think. Bookings essential

YOGA: Our newest addition to the timetable, A gentle yoga practice to increase flexibility and postural awareness. Working in unison with the breath to create an overall sense of vitality and well being, incorporating flexibility, mobility, breathing control, core strength exercises and movements. The perfect complement to every fitness regime. Yoga mats are recommended

Please note: All full members of Paramount Group Training Centre are entitled to 1 weekly Outdoor group training session as a part of your membership. See training schedule at Paramount or email us for details.
